Capitol Canine Club allows dogs to play cage-free with other dogs while also practicing some basic training and manners. The dogs are walked outside before and after play times and are given a nap period mid-day. This program allows pets maximum freedom to run, play and interact with other dogs while being closely supervised by trained staff. Our club offers pets a doggie daycare experience with the same high quality of care that is expected from Old Dominion Animal Health Center.

What makes us different?

- A Certified Canine Behaviorist evaluates each dog
- Play group leaders have been trained by a Certified Canine Behaviorist
- Small play groups are customized to match play-styles & personalities
- We cater to all sizes, ages and abilities, including senior dogs and puppies
- Our ratio of staff to dogs exceeds all industry standards

Featuring:

- **Playtime**

Dogs are grouped depending on their temperament, play-style and energy level. The groups are rotated to ensure that play is happy and friendly! Everyone gets a mid-day break and/or nap, and good manners are encouraged.

- **Puppy Daycare**

Puppies play with other play-style appropriate groups in a safe, clean, secure and supervised environment. They receive frequent potty breaks and additional nap times!

- **Senior Daycare**

Many senior dogs need extra potty breaks during the day and find the presence of a human comforting. Your senior dog can spend the day being pampered and petted, without having to participate in the more active Day-care groups.

Drop-off/pick-up

- Open Mon. thru Fri., except on Holidays.
- Drop-off is 7:00 am to 9:00 am. Pick-up is between 4:00 pm and 7:00 pm.
- Pets not picked up by 7:00 pm will be boarded at regular boarding fees.

Reservations

Reservations are recommended to insure we have space and can accommodate your dog. **There is a 24 hour cancellation policy.**
